To

Chief Secretary to the Government of Mysore.

Sir,

Issued separately on 29/11/19

In continuation of my letter No.A.3239 dated 26th November 1919 in para 6 of which I had referred to the necessity that might arise for my disposing of the balanc of ragi at a price slightly less than Rs 80 per cartload of 640 seers and with reference to Government Order No.G. 12656-70 P.P.6-19-155 dated 2nd December 1919 conveying the approval of Government to the disposal of the ragi in stock at 8 seers per rupee in the depots and by issue to co-operative societies and merchants, I have the honou to report that 680 bags of 80 seers were disposed of at this rate and as I found that the price of ragi was rapidly going down and the demand for it was falling off I made personal enquiries of merchants in New Tharagupet and being satisfied that no one else would come forward to ta the ragi at more than Rs 75 per cart load I accepted the offer of Mr. S. K. Narasimiah, merchant, New Tharagupet, Bangalore, to take off my hands the whole quantity of ragi except what is proposed to be retained for issues to Municipal depots in Bangalore at Rs 76 per cart load of 640 seers. The price of ragi is now quoted at Rs 70 t

to 80 and it was impossible to get any higher offers.

I beg to request that the action taken by me may be approved.
